Denotes Historic District Designation, per amended Ordinance

Notes: Pursuant to O.C.G.A. § 44-10-26(a)(1) and Boston, GA Code of Ordinances, amended, Part II, Appendix B, Sec. B-5(b) and (c), parcel #s denote historic properties. All parcel #s are gleaned from the Thomas County Property Assessor's Office. The official format for a parcel is: BN 00XXXX, where "X" = the four digit numerical designation following the two zeros ("0"). Some BN numbers include an alpha character at the end of the parcel number. Historic property locations are approximately annotated on this Zoning Map.
